Golfers. We're different.  
We count in strokes.  
We measure in yards.  
We live and die by the hole.  
Not everybody gets us.  
But one place does.  
Myrtle Beach.  
And this is the one beach,  
You'll be glad you landed on.  
We were made for each other.  
78 Courses. 60 miles of beach.  
And so much more.  
The Beach Gets Golfers.  
Golfers Get The Beach.
